Costas H. Karabatsas

MD, DMed, FEBOphth, MRCOphth, FRCS(Ed)Ophth

Ophthalmologist - Ass. Professor of Ophthalmology

Prof. Costas Karabatsas is a GMC registered specialist in Ophthalmology in the United Kingdom since 1995, equally certified in Ophthalmology by the European Board of Ophthalmology, as well as the Greek Ministry of Health.

He has an extensive surgical as well as teaching experience in various areas of Ophthalmology. He is a sub-specialist in the following areas :

- cornea and external eye diseases • refractive surgery
- cataract • glaucoma

Dr. Karabatsas is currently Assistant Professor of Ophthalmology at the **University of West Attica (UNIWA)**, – **Biomedical Sciences Department in Athens, Greece** and former As. Prof. of Ophthalmology with University of Thessaly Medical School, Greece. He practices as Senior Consultant Anterior Segment Eye Surgeon (Refractive Surgery, Cataract, Cornea & External Eye Diseases, Glaucoma) at LASERVISION.GR Eye Institute in Athens, Greece.

He has undertaken his basic and specialized training as a resident, a registrar, a Cornea Fellow and a Clinical Lecturer at Bristol Eye Hospital, in the UK. He accomplished his **doctorate thesis (D.Med) on corneal transplantation and corneal topography**, with the **University of Bristol**. After successful exams he became a Member of the Royal College of Ophthalmologists in London (**MRCOphth**), a Fellow of the Royal College of Surgeons in Edinburgh (**FRCS Ed**) in Ophthalmology and a Fellow of the European Board of Ophthalmology, Paris (**FEBO**).

He has achieved recognition as a leader in the field of corneal transplantation, corneal topography, surgical correction of astigmatism and has directed clinical research on glaucoma, cornea and external diseases. He has been principal investigator on devices, clinical studies on keratoplasty and external diseases, clinical drug trials, gene identification studies and biochemical studies on alterations of aqueous humor in pseudoexfoliation syndrome.

Prof. Karabatsas has over 60 peer-reviewed publications to his credit, has lectured extensively to national and international audiences, and has presented a multitude of scientific papers mainly on the subjects of glaucoma, cataract and corneal diseases. He has also acted as an instructor for different surgical courses worldwide and as an Honorable Editor and reviewer in various ophthalmic scientific journals.

He is also involved with several professional associations and national committees. He is the General Secretary of the Greek Corneal Society (GCS) and the Treasurer of the Hellenic College of Ophthalmology (HCO). He holds Membership with the American Academy of Ophthalmology (AAO), the American and European Societies of Cataract and Refractive Surgeons (ASCRS, ESCRS), the International Glaucoma Society (IGS) and the European Glaucoma Society (EGS).

17th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 30 January to 2 February 2003. (course and wet-lab instructor)
- 70. Phaco surgery in eyes with functional trabeculectomy.**
17th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 30 January to 2 February 2003. (invited speaker)
- 71. Glaucoma Risk Factors and Ocular Hypertension Treatment Study (OHTS).**
10th Hellenic Glaucoma Society Meeting & International Glaucoma Congress, Athens – 21 February 2003.(invited speaker).
- 72. Refractive Surgery complications.**
1st Ophthalmological Society of Central Greece Meeting, Larissa, Greece – 14 to 15 March 2003. (course coordinator and speaker)

- 73. Diurnal control of intraocular pressure in glaucoma patients with single morning or evening dose of Timolol gel**
Karabatsas CH, Skoufaras A, Theodoridou M-A, Koupidis G, Chatzoulis DZ
4th International Glaucoma Symposium – International Glaucoma Society, Barcelona, Spain, 19-22 March 2003.(poster). Abstract book pg. 90.
- 74. Diurnal intraocular pressure reduction with latanoprost compared to timolol maleate as monotherapy in patients with exfoliation glaucoma**
 Konstas AGP, Mylopoulos N, Karabatsas CH, Kozobolis VP, Diafas S, Papapanos P, Georgiadis N, Stewart WC
4th International Glaucoma Symposium – International Glaucoma Society, Barcelona, Spain, 19-22 March 2003.(poster). Abstract book pg. 57.
- 75. Diurnal control of intraocular pressure with timolol and bimatoprost in pseudo-exfoliation glaucoma**
International Workshop in Pseudoexfoliation Syndrome and Glaucoma: Update for Clinicians and Scientists. Erlangen, Germany, 4-5 April 2003.
 (invited speaker)
- 76. Intraocular Pressure Measurements With Applanation Tonometry And With Digital Tonometry Through The Eyelids: Comparative Results**
Karabatsas CH, Kotsimpou K, Chatzoulis DZ
ARVO annual meeting, Fort Lauderdale, Florida, USA, 4-9 May 2003. (poster). Abstract book pg. 91.
- 77. Fundus imaging with infrared light.**
 Kotoula M, Tsironi E, Karabatsas CH, Chatzoulis D.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (oral presentation). Abstract book pg.229.
- 78. Basal Cell Carcinoma with multiple recurrences. Considerations and indications for enucleation.**
 Semertzidis T, Karabatsas CH, Iatrou G, Dagalaki I.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (poster).
- 79. Orbit reconstruction with porous polyethylene implant. Surgical technique.**
 Fkiaras A, Iatrou G, Karabatsas C, Semertzidis T.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (poster).
- 80. Lateral rhinotomy and nasolacrimal duct reconstruction. Surgical approach.**
 Semertzidis T, Karabatsas C, Fkiaras A, Chatzoulis D.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (poster).
- 81. Traumatic optic neuropathy. Unusual clinical presentation – diagnostic challenge and management dilemmas**
 Dagalaki IZ, Karabatsas CH, Tsironi E, Kotoula M, Chatzoulis DZ.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (poster).Abstract book pg.218.
- 82. The X-press glaucoma mini-valve : surgical technique, postoperative monitoring**
Karabatsas CH, Kotoula M, Mpeis P, Zacharaki F.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (video).Abstract book pg.272.
- 83. Phacoemulsification with the use of intracapsular support ring.**
Karabatsas CH, Tsironi E, Kotsimpou A, Kafetsouli D.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (video).Abstract book pg.274.
- 84. ‘Tectonic’ corneal graft in a case of advanced fungal keratitis.**
Karabatsas CH, Dagalaki I, Koupidis G, Pefkianaki M.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (video).Abstract book pg.280.
- 85. ‘Hard rock’ white cataract. Extracapsular extraction or phaco ?**
Karabatsas CH, Kotsimpou A, Mpeis P, Koupidis G.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (video).Abstract book pg.274.
- 86. Epidemiological study of children eye casualties, during the first three years of operation of the Ophthalmic Department at the University Hospital of Larissa.**
 Mpeis P, Karabatsas CH, Kotoula M, Dagalaki I, Theodoridou A.M, Koupidis G, Kotsimpou A, Chatzoulis D.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (poster).Abstract book pg.267.
- 87. Epidemiological study of eye casualties presenting to the Ophthalmic Department at the University Hospital of Larissa during its first three years of operation**
 Mpeis P, Karabatsas CH, Tsironi E, Kotsimpou A, Skoufaras A, Koupidis G, Zacharaki F, Chatzoulis D.
36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (poster).Abstract book pg.151.
- 88. Using Capsular Tension Rings (CTR) in cataract surgery**
 Kotsimpou A, Karabatsas CH, Zacharaki F, Mpeis P, Koupidis G, Kafetsouli D, Chatzoulis DZ.

- 36th Panhellenic Ophthalmological Congress, 4-8 June 2003, Crete. (poster). Abstract book pg.209.
[the poster won 1st prize at the fire presentation competition]
- 89. Diurnal intraocular pressure reduction with latanoprost compared to timolol maleate as monotherapy, in patients with exfoliation glaucoma**
Konstas AGP, Mylopoulos N, Karabatsas CH, Kozobolis VP, Diafas S, Papapanos P, Georgiadis N, Stewart WC
14th Congress of the European Society of Ophthalmology – SOE, Madrid, Spain, 7-12 June 2003.
(poster).
- 90. Subfoveal choroidal neovascularisation with a simultaneous retinal arterial macroaneurism - case report**
Kotoula M, Karampatsas K, Beis P, Chatzoulis D :
III International Symposium of the German Ophthalmological Society (DOG), Baden-Baden, Germany, 4-6 September 2003. (oral presentation). Abstract book 31 RF.
- 91. TGF-β1 and gelatinases in exfoliation syndrome.**
Ekonomopoulou M, Liakos P, Papapanos P, Karabatsas CH, Konstas AGP, Koliakos G.
Hellenic Society of Biochemistry & Molecular Biology Congress, 13-15 November 2003, Athens (oral presentation).
- 92. Bimatoprost – the positive literature.**
Glaucoma Course, Greek Ophthalmological Society, Thessaloniki – 29 November 2003.
(invited speaker)
- 93. The failing bleb (management algorithms)**
18th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 29 January to 1 February 2004.
(course coordinator and speaker)
- 94. Microkeratomes in LASIK.**
18th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 29 January to 1 February 2004.
(course and wet-lab instructor)
- 95. Combined procedure as a first choice surgery in co-existing medically controlled glaucoma and cataract**
18th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 29 January to 1 February 2004.
(invited speaker)
- 96. Case report presentation : Surgical control of hypotonous maculopathy from previous trabeculectomy with MMC in a case of juvenile glaucoma.**
Hospital Meeting, Agios Dimitrios Hospital, Thessaloniki – 20 March 2004.
(invited speaker)
- 97. Peripheral Ulcerative Keratitides (PUK).**
Spring Hellenic Ophthalmology Meeting, Plastiras Lake, Greece – 16 to 17 April 2004.
(invited speaker)
- 98. 24-hour efficacy and safety of dorzolamide 2% versus brimonidine purite 0.15% each given twice daily when added to latanoprost 0.005% given each evening**
Konstas A, Karabatsas CH, Jackson AL, Stewart JA, Stewart WC
ARVO annual meeting, Fort Lauderdale, Florida, USA, 25-29 April 2004 (poster). Abstract book pg. 229.
- 99. 24-hour efficacy and safety of dorzolamide 2% versus brimonidine purite 0.15% each given twice daily when added to latanoprost 0.005% given each evening**
Karabatsas CH, Konstas A, Lallo N, Kotsimpou K, Jackson AL, Stewart JA, Stewart WC
European Glaucoma Society (EGS) Meeting, Florence, Italy, 30 May–4 June 2004.
(poster) Abstract book pg. 113.
- 100. What do we already know and what we would like to know about Bimatoprost ?**
37th Panhellenic Ophthalmological Congress, Halkidiki, Greece – 9 to 13 June 2004.
(invited speaker)
- 101. Postoperative follow up in trabeculectomy – Management algorithms**
37th Panhellenic Ophthalmological Congress, Halkidiki, Greece – 9 to 13 June 2004.
(course coordinator and speaker)
- 102. Hypermicroscopic study of conjunctival microvillae in dry eye syndrome**
Koufakis D, Manthou A, Karabatsas CH, Alvanou A, Dimeria V, Chatzoulis D.
37th Panhellenic Ophthalmological Congress, Halkidiki, Greece – 9 to 13 June 2004. (poster).
Abstract book pg. 230.
[the poster won 1st prize at the poster competition]

- 103. Structure-function correlation between Retinal Ganglion Cell Complex (GCC) thickness measured by scanning laser polarimetry and retinal sensitivity measured by FDT and W/W perimetry**
Katsanos A, Karabatsas CH, Chatzoulis D, Kothy P, Hollo G :
37th Panhellenic Ophthalmological Congress, Halkidiki, Greece – 9 to 13 June 2004. (oral presentation).
Abstract book pg. 54.
- 104. Latanoprost therapy reverses biochemical changes in the aqueous humor of patients with pseudoexfoliation glaucoma**
Kolikaos GG, Konstas AGP, Karabatsas CH, Kaltsos K, Schlotzer-Schrehardt U, Georgiadis N, Ritch R
37th Panhellenic Ophthalmological Congress, Halkidiki, Greece – 9 to 13 June 2004. (oral presentation).
Abstract book pg. 58.
- 105. Macular Imaging with scanning laser polarimetry in patients with subfoveal choroidal neovascularisation**
Katsanos A, Karabatsas CH, Chatzoulis D, Kothy P, Papp A, Hollo G :
37th Panhellenic Ophthalmological Congress, Halkidiki, Greece – 9 to 13 June 2004. (poster).
Abstract book pg. 223.
- 106. Treatment Control of the Progressing Glaucoma Patient**
XXXVI Nordic Congress of Ophthalmology (NOK), Nordic Ophthalmological Society, Malmö, Sweden, 16-20 June 2004.
(invited speaker)
- 107. Corneal & Conjunctival Inflammations**
3rd Congress of the Ocular Inflammations Society, Athens, 5-7 November 2004. (invited speaker)
- 108. Treatment control of exfoliation glaucoma patients with bimatoprost monotherapy versus timolol maleate twice daily.**
Allergan European Glaucoma Meeting, Nice, France – 17 December 2004.
(invited speaker)
- 109. Microbial keratitides**
19th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 17 to 20 February 2005.
(course coordinator and speaker)
- 110. Corneal Transplantations**
19th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 17 to 20 February 2005. (course coordinator and speaker)
- 111. Cool Phaco effect on Anterior Chamber Structures**
19th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 17 to 20 February 2005. (invited speaker)
- 112. Deep Endothelial Lamellar Keratoplasty (DSAEK)**
19th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 17 to 20 February 2005. (invited speaker)
- 113. “One year results with the Ex-press mini glaucoma valve”.**
Karabatsas CH, Katsanos A, Polychronakos A, Pefkianaki M, Chatzoulis DZ :
5th International Glaucoma Symposium – I.G.S, Cape Town, South Africa, 30 March – 2 April 2005. (poster) Abstract book pg. A63.
- 114. Glaucoma First Line Medications**
12th Hellenic Glaucoma Society Meeting & International Glaucoma Congress, Athens – 4 to 5 May 2005. (invited speaker)
- 115. Ex-press mini glaucoma valve (Optonol) provides better long term intraocular pressure control when placed under a scleral flap.**
Karabatsas CH, Katsanos A, Polychronakos A, Pefkianaki M, Chatzoulis DZ.
ARVO Annual Meeting, Fort Lauderdale, Florida, USA, 1-5 May 2005 (poster). Abstract book # 69.
- 116. Detection of macular photo- coagulation scars with confocal infrared reflection images**
Kotoula MG, Karabatsas CH, Tsironi EE, Chatzoulis DZ
ARVO annual meeting, Fort Lauderdale, Florida, USA, 1-5 May 2005. (poster). Abstract book # 2587.
- 117. Hypermicroscopic study of the conjunctival microvilli in dry eye syndrome.**
Koufakis DI, Karabatsas CH, Sakkas L, Albanou A, Manthou M-E, Chatzoulis DZ
ARVO annual meeting, Fort Lauderdale, Florida, USA, 1-5 May 2005. (poster). Abstract book # 4433.
- 118. Tear lipid layer thickness and ocular comfort after use of a novel method of meibomian therapy in patients with dry eye.**
Pappas GD, Fuller JR, Mitra M, Casini A, Ricketts C, Karabatsas CH, Fuller ET :

- 38th Panhellenic Ophthalmological Congress*, 18-22 May 2005, Mykonos (poster P95).
Abstract book pg.87.
- 119. Toxic Keratitis from topical anesthetic abuse – the consequences**
Tsironi E, Kotoula M, Tachmitzi S, Fotiadou A, Karathanou A, Karabatsas CH, Chatzoulis D
38th Panhellenic Ophthalmological Congress, 18-22 May 2005, Mykonos (poster P94).
Abstract book pg.86-87.
- 120. One year results with the X-press mini glaucoma valve.**
Karabatsas CH, Katsanos A, Polychronakos A, Pefkianaki M, Chatzoulis DZ
38th Panhellenic Ophthalmological Congress, 18-22 May 2005, Mykonos (poster P73).
Abstract book pg.76.
- 121. Diurnal intraocular pressure control and tonographic outflow facility with bimatoprost 0.03% versus timolol 0.5% in patients with exfoliative glaucoma**
Konstas AGP, Karabatsas CH, Kotoula M, Brubaker RF, Georgiadis N
World Glaucoma Congress, Vienna, Austria, 6-9 July 2005. (poster)
- 122. Association between central corneal thickness and age-related macular degeneration**
Pappas GD, Eye KH, Smith M, Booth AP, Karabatsas CH
American Academy of Ophthalmology (AAO) Annual Meeting, Chicago, USA, 15-18 October 2005.
Abstract book PO217.
- 123. Structural and Functional Tests in Diagnosis and Progression monitoring of Glaucoma patients.**
1st Hellenic Universities Ophthalmic Meeting, Alexandroupolis, – 18 to 20 November 2005.
(invited speaker)
- 124. Ophthalmic manifestations of antiphospholipid syndrome.**
Tsironi E, Pefkianaki M, Kotoula M, Karabatsas CH, Chatzoulis D
1st Vitreoretinal Panhellenic Congress, 13-14 January 2006, Athens (poster).
- 125. Phacoemulsification in eyes with previous glaucoma surgery with Ex-press mini-valves (Optonol) or Ahmed valves.**
Karabatsas CH, Polychronakos A, Karathanou A
20th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 2 to 5 February 2006. (video).
- 126. Ahmed valve tube placement in the vitreous cavity in a pseudophakic eye with ocular hypertension and previous corneal graft.**
Karabatsas CH, Pefkianaki M, Spanou Ch
20th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 2 to 5 February 2006. (video).
- 127. Five years results with the use of Capsular Tension Rings (CTRs) in phaco surgeries with zonules instability**
Karabatsas CH, Katsanos A, Kotsimpou A, Polychronakos A, Kotoula M, Tsironi E, Chatzoulis D
20th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 2 to 5 February 2006. (oral presentation)
- 128. Bacterial and Fungal Keratitides**
20th International Congress of the Hellenic Society of Intraocular Lenses & Refractive Surgery, Athens – 2 to 5 February 2006.
(course coordinator and speaker)
- 129. Uveitis Club – Case reports & commentary**
Ophthalmic Symposium of Central Greece, Larissa University Hospital – 1 April 2006.
(invited speaker)
- 130. Intraocular pressure control with bimatoprost vs. fixed combination of latanoprost with timolol, in patients with glaucoma.**
6th Congress of Croatian Ophthalmological Society- Joint Meeting 29th Symposium of Ophthalmologists of Croatia and Slovenia, Primosten, Croatia, 4 to 6 May 2006.
(invited speaker)
- 131. Central Corneal Thickness (CCT) is not correlated with intraocular pressure (IOP) change when switching between treatments**
Karabatsas CH, European Glaucoma Panel Group:
ARVO annual meeting, Fort Lauderdale, Florida, USA, May 2006. (poster) Abstract # 4428
- 132. A 12-week comparison of Bimatoprost 0.03% and a fixed combination of Latanoprost 0.005% and Timolol 0.5% in reducing the 24-hour IOP in glaucoma patients. A European multi-center, randomised, double-masked trial**
Rossetti L, European Glaucoma Panel Group:
ARVO annual meeting, Fort Lauderdale, Florida, USA, May 2006. (poster)

- 133. Capsular Tension Rings: A useful tool for successful completion of cataract surgery with Zinn's zonule instability. Five years experience.**
Kotoula M, Karabatsas CH, Katsanos A, Kotsimpou A, Tsironi E, Chatzoulis DZ :
ARVO annual meeting, Fort Lauderdale, Florida, USA, May 2006.(poster) (abstract # 659).
- 134. Prostaglandins and Fixed Combinations Treatment of Glaucoma**
13th Hellenic Glaucoma Society Meeting & International Glaucoma Congress, Athens – 17 to 18 May 2006.
(invited speaker)
- 135. Ocular surface changes in patients with Sjogren's syndrome: A transmission electron microscopy study**
Koufakis D, Karabatsas CH, Alvanou A, Sakkas LI, Manthos AK, Chatzoulis DZ
3rd South Eastern European Ophthalmological Society (SEEOS) Annual Meeting. Thessaloniki, July 2006.(poster).
- 136. A slit lamp based imaging system for measuring blood velocity in the conjunctival microcirculation of the human eye**
Koutsiaris AG, Tachmitzi SV, Kotoula MG, Karabatsas CH, Tsironi E, Batis N, Chatzoulis DZ:
24th Conference of the European Society for Microcirculation. Amsterdam, Netherlands, 30 August – 2 September 2006.(oral presentation)
- 137. Measurements of blood velocity in the human conjunctival microcirculation and wss Estimation**
Koutsiaris AG, Tachmitzi SV, Kotoula MG, Karabatsas CH, Tsironi E, Batis N, Chatzoulis DZ:
2nd Eurosummer School of Biorheology & Symposium on MicroMechanobiology of Cells, Tissues & Systems. Varna, Bulgaria, 17-20 September 2006. (oral presentation)
- 138. Ultrastructural conjunctival surface changes in patients with Sjogren's syndrome: Long term results**
Koufakis D, Karabatsas CH, Sakkas LI, Alvanou A, Manthos AK, Chatzoulis DZ:
European Association for Vision & Eye Research (EVER) Annual Meeting. Algarve, Portugal, 5-7 Οκτωβρίου 2006. (poster)
- 139. Hemodynamic parameters in human microvasculature compared to frog.**
Koutsiaris AG, Tachmitzi SV, Kotoula MG, Karabatsas CH, Tsironi E, Mpatis N, Chatzoulis D
5th Meeting of Rheon Research, 6 November 2006, Patras, Greece (oral presentation).
- 140. Latest developments in glaucoma medical management.**
Allergan Hungarian Glaucoma Meeting, Budapest, Hungary – 23 November 2006.
(invited speaker)
- 141. Postoperative management and follow up of the corneal transplanted patient**
11th ESCRS Winter Refractive Surgery Meeting & 21st Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 February 2007.
(invited speaker)
- 142. Anterior Segment Imaging Techniques**
11th ESCRS Winter Refractive Surgery Meeting & 21st Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 February 2007.
(course coordinator and speaker)
- 143. Summer Ophthalmic Emergencies**
'Summer & Health' Meeting – Athens Medical Association, Athens, Greece – 9 June 2007.
(invited speaker)
- 144. Corneal Topography and the hunt for Keratoconus**
1st Emmetropia Symposium, Heraklion, Crete, Greece – 16 October 2007. (invited speaker)
- 145. To customize or not to customize in Laser Refractive Surgery?**
22nd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 14 to 17 February 2008.
(course coordinator and speaker)
- 146. Astigmatism Surgical Correction following Corneal Keratoplasty**
22nd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 14 to 17 February 2008. (invited speaker)
- 147. Cataract Live Surgery**
22nd International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 14 to 17 February 2008.
(invited surgeon)
- 148. Iris supported Intraocular Lenses - Iridoplasty**

- 22nd International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery*, Athens, Greece – 14 to 17 February 2008. (invited speaker)
- 149. Ocular surface pathophysiology**
University Department Meeting, Thessaloniki, Greece – 4 October 2008. (invited speaker)
- 150. Keratitides**
2nd Emmetropia Symposium, Heraklion, Crete, Greece – 1 to 2 November 2008. (invited speaker)
- 151. Glaucoma : Past, Present & Future**
2nd Emmetropia Symposium, Heraklion, Crete, Greece – 1 to 2 November 2008. (invited speaker)
- 152. Glaucoma Progression & Treatment with Confidence. Lumigan & Ganfort in the Glaucoma Management armamentarium.**
Allergan Faculty Excellence Workshop, Sibiu, Romania – 21 to 23 November 2008. (invited speaker)
- 153. Veriflex and Verisyse Intraocular Lenses – My experience**
Hellenic Ophthalmological Society Meeting, Athens, Greece – 31 January 2009. (invited speaker)
- 154. Iris supported Intraocular Lenses - Iridoplasty**
23rd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 19 to 22 February 2009. (invited speaker)
- 155. Keratoplasty and Laser in Herpes Simplex Keratitis**
23rd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 19 to 22 February 2009. (invited speaker)
- 156. Phaco Surgery after previous Refractive Surgery**
23rd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 19 to 22 February 2009. (invited speaker)
- 157. Live Surgery (Phacoemulcification with Ozil on a microphthalmic eye with nystagmus and use of a 40 D IQ IOL).**
23rd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 19 to 22 February 2009. (invited surgeon for live surgery session)
- 158. Multifocal IOLs**
23rd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 19 to 22 February 2009. (course coordinator and speaker)
- 159. Phaco-traby. Follow-up considerations**
23rd International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 19 to 22 February 2009. (course coordinator and speaker)
- 160. Why Preservative Free eye drops are needed in Glaucoma Therapy**
15th International Glaucoma Congress, Athens, Greece – 20 to 21 March 2009. (invited speaker)
- 161. Keratitides**
Hellenic College of Ophthalmology Symposium, Thessaloniki, Greece – 28 March 2009. (invited speaker)
- 162. Penetrating Keratoplasty : Surgical Technique, Postoperative Complications**
42nd Panhellenic Ophthalmological Congress, Crete, Greece – 28 May 2009. (invited speaker)
- 163. British Ophthalmic Qualifications & Greek Ophthalmology Reality**
Hellenic College of Ophthalmology Symposium, Crete, Greece – 29 May 2009. (invited speaker)
- 164. Phacoemulcification after previous refractive surgery**
24th International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 4 to 7 February 2010. (invited speaker)
- 165. Keratoplasty & Excimer Laser in Herpetic Keratitis**
24th International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 4 to 7 February 2010. (invited speaker)
- 166. Refractive Lens Exchange**
24th International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 4 to 7 February 2010. (invited speaker)
- 167. Phakic IOLs in Keratoconus & Corneal Cross Linking in Corneal Melting**
24th International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 4 to 7 February 2010. (invited speaker)

168. Iridoplasty Techniques

24th International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 4 to 7 February 2010.

(invited speaker)

169. Secondary Open Angle Glaucoma

Continuing Ophthalmic Education Lectures of the Hellenic Ophthalmological Society, Athens, Greece – 9 February 2010.

(invited speaker)

170. Glaucoma Medications – What about the ocular surface?

16th International Glaucoma Congress, Glaucoma 2010, Athens, Greece – 12 to 13 March 2010.

(invited speaker)

171. Corneal Ectatic Diseases – Cross Linking

Continuing Ophthalmic Education Lectures of the Hellenic Ophthalmological Society, Athens, Greece – 23 March 2010.

(invited speaker)

172. Capsular Tension Rings in zonular dehiscence

43rd Panhellenic Ophthalmological Congress, Thessaloniki, Greece – 27 to 30 May 2010.

(invited speaker)

173. Placido Corneal Topography Systems

43rd Panhellenic Ophthalmological Congress, Thessaloniki, Greece – 27 to 30 May 2010.

(invited speaker)

174. Keratoplasty & Excimer Laser in Herpetic Keratitis

25th International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 24 to 27 February 2011.

(invited speaker)

175. Infectious Keratitides, New Antimicrobials, Rare Pathogenes

Cornea Day at the 25th International Meeting of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 24 February 2011.

(invited speaker)

176. Glaucoma Management in 2011

17th International Glaucoma Congress, Athens, Greece – 1 to 2 April 2011.

(invited speaker & co-ordinator)

177. Bacterial Keratitides

Spring Meeting of Western Greece Ophthalmological Society, Ioannina, Greece – 7 May 2011.

(invited speaker)

178. Deep Anterior Lamellar Keratoplasty (DALK)

44th Panhellenic Ophthalmological Congress, Athens, Greece – 18 to 22 May 2011.

(invited speaker)

179. PRK Complications

44th Panhellenic Ophthalmological Congress, Athens, Greece – 18 to 22 May 2011.

(invited speaker)

180. Anterior necrotis scleritis due to Nocardia infection. A case report.

Tomais G, Karabatsas CH

44th Panhellenic Ophthalmological Congress, Athens, Greece – 18 to 22 May 2011.(poster P95).

Abstract book pg. 244.

181. Challenging Corneal Refractive Cases

ISRS A to Z Refractive Surgery Course, Athens, Greece – 17 December 2011.

(invited chairperson and panelist)

182. Glaucoma Surgery – When to use a valve?

OMMA Ophthalmic Institute Scientific Symposium, Athens, Greece – 17 December 2011.

(invited chairperson and panelist)

183. Herpetic eye disease – Herpes Simplex and Herpes Zoster

1st Symposium of Hellenic Cornea Society, Athens, Greece – 11 February 2012.

(invited speaker)

184. Secondary Open Angle Glaucoma

Continuing Ophthalmic Education Lectures of the Hellenic Ophthalmological Society, Athens, Greece 17 January 2012. (invited speaker)

185. Challenging cataract cases – Calculating IOL power after previous refractive surgery

26th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 March 2012. (invited speaker)

- 186. Basic Cornea Course – Corneal Cross Linking Protocols**
26th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 March 2012. (invited speaker)
- 187. Refractive surgery for high myopic cases. What is the best approach?**
26th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 March 2012. (invited speaker)
- 188. Pathophysiology of dry eyes syndrome**
26th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 March 2012. (invited speaker)
- 189. Corneal Cross Linking complications**
26th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 March 2012. (invited speaker)
- 190. Penetrating Keratoplasty. What should the general ophthalmologist know.**
26th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 March 2012. (invited speaker)
- 191. Weak zonules in cataract surgery. How to deal with**
26th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 1 to 4 March 2012. (invited course co-ordinator)
- 192. Corneal Ectatic Diseases – Cross Linking**
Continuing Ophthalmic Education Lectures of the Hellenic Ophthalmological Society, Athens, Greece – 13 March 2012. (invited speaker)
- 193. Cornea Round Table**
45th Panhellenic Ophthalmological Congress, Halkidiki, Greece – 24 to 27 May 2012. (invited speaker)
- 194. Plasma homocystein and genetic homocystein gene polymorphisms in patients with primary open angle glaucoma and pseudoexfoliation glaucoma.**
Zacharaki F, DeAngelis M, Chatzigeorgiou G, Koliakos G, Tsezou A, Chatzoulis D, Almpnidou P, Karabatsas CH, Tsironi E.
45th Panhellenic Ophthalmological Congress, 24-27 May 2012, Porto Carras, Chalkidiki (e-poster). Abstract book pg.81.
- 195. Cornea Cross Linking (CXL) as a refractive procedure, with or without concurrent excimer laser treatment**
Ophthalmological Society of Central Greece Symposium, Larissa, Greece – 8 December 2012. (invited speaker)
- 196. Glaucoma Round Table**
OMMA Ophthalmic Institute Scientific Symposium, Athens, Greece – 17 December 2012. (invited panelist)
- 197. Refractive/Cataract Surgery session – Pearls for treating blepharitis, dry eye and LASIK**
OMMA Ophthalmic Institute Scientific & ISRS Symposium, Athens, Greece – 17 December 2012. (invited speaker)
- 198. Lasik complications**
27th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 28 February to 3 March 2013. (invited speaker)
- 199. Cornea Basic Course : Phototherapeutic keratectomy (PTK)**
27th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 28 February to 3 March 2013. (invited speaker)
- 200. Avoiding refractive surprises with toric intraocular lenses : Have you paid adequate attention to optic disc morphology?**
Karabatsas CH, Tomais G, Koumpouni K.
27th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 28 February to 3 March 2013. (oral presentation)
- 201. Refractive correction of keratoconus with combined use of CrossLink, PRK, ICL or DALK**
Karabatsas CH, Zervou S, Koumpouni K.
27th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 28 February to 3 March 2013. (oral presentation)
- 202. Cataract, Glaucoma & Pseudoexfoliation. Management strategies**
27th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 28 February to 3 March 2013.

- (invited speaker)
- 203. Cornea Fun Club**
27th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 28 February to 3 March 2013.
(invited panelist)
- 204. The ups and downs of postop IOP (several crisis episodes management).**
Karabatsas CH
Aurora Network Allergan Meeting. Brussels, 15-17 March 2013. (poster)
- 205. Viral Keratitides**
2nd Symposium of Hellenic Cornea Society, Athens, Greece – 30 March 2013.
(invited speaker)
- 206. Stepwise Medical Therapy in Glaucoma**
19th International Glaucoma Congress, Glaucoma 2013, Athens, Greece – 5 to 6 April 2013.
(invited speaker)
- 207. Cornea Round Table – Microbial Keratitides**
46th Panhellenic Ophthalmological Congress, Costa Navarino, Greece – 23 to 26 May 2013.
(invited speaker)
- 208. Refractive Surgery – Myths & Reality**
46th Panhellenic Ophthalmological Congress, Costa Navarino, Greece – 23 to 26 May 2013.
(invited speaker)
- 209. Dry Eye Principles / Imaging & Osmoprotection**
3D Athens Course of ISRS & Hellenic College of Ophthalmology – LaserVision Eye Institute, Athens, Greece – 14 September 2013. (invited speaker)
- 210. Diagnosis of Dry Eye Syndrome**
Hellenic College of Ophthalmology Meeting, Nafplion, Greece – 9 to 10 November 2013.
(invited speaker)
- 211. 3D Video presentation of Trabeculectomy follow up & vertical strabismus surgery with the use of adjustable suture.**
Hellenic College of Ophthalmology Meeting, Nafplion, Greece – 9 to 10 November 2013.
(invited speaker – 3D video presentation)
- 212. Dry Eye Syndrome : Imaging & osmoprotection**
OMMA Ophthalmic Institute Scientific Symposium, Athens, Greece – 14 December 2013.
(invited speaker)
- 213. Corneal Grafting Legislation in Greece – my experience from University Hospital of Larissa**
1st Keratoplasty & Eye Banking Symposium, Democritus National Research Center, Athens, Greece – 11 January 2014.
(invited speaker)
- 214. Cornea Fun Club**
28th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 20 to 23 February 2014.
(invited panelist-instructor)
- 215. Phaco surgery in difficult cataract cases : Following previous refractive surgery**
28th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 20 to 23 February 2014.
(invited speaker)
- 216. Refractive Surgery Didactic Course : Topographic assessment of the refractive surgery candidate.**
28th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 20 to 23 February 2014.
(invited speaker-instructor)
- 217. Basic Cornea Course : Basic techniques of corneal sections & suturing**
28th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 20 to 23 February 2014.
(invited speaker-instructor)
- 218. Femtosecond Laser in Refractive Surgery**
28th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 20 to 23 February 2014.
(instruction course coordinator)
- 219. Corneal Ectatic Diseases – Cross Linking**
Continuing Ophthalmic Education Lectures of the Hellenic Ophthalmological Society, Athens, Greece – 11 March 2014. (invited speaker)

- 220. Controversies in Glaucoma Diagnosis and Follow-up : Imaging vs. Perimetry**
20th International Glaucoma Congress, Athens, Greece – 28 March 2014.
(Round Table moderator)
- 221. Retropupillary Fixated Iris-claw IOL in Clinical Practice – 10 Years Experience**
Kanellopoulos AJ, [Karabatsas CH](#)
47th Panhellenic Ophthalmological Congress, Thessaloniki, Greece – 28 to 31 May 2014.
(video presentation – won 1st prize)
- 222. Refractive Surgery in Keratoconus (?)**
47th Panhellenic Ophthalmological Congress, Thessaloniki, Greece – 28 to 31 May 2014.
(lecture by invitation)
- 223. Cornea Fun Club**
47th Panhellenic Ophthalmological Congress, Thessaloniki, Greece – 28 to 31 May 2014.
(invited panelist-instructor)
- 224. OCT derived 3D epithelial thickness distribution: Comparative variability study in healthy and keratoconic eyes.**
A. J. Kanellopoulos, [Karabatsas C.](#)
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Paper presentation)
- 225. Astigmatic axis repeatability in normal, keratoconic, collagen cross linked and Lasik treated Eyes with novel multi-colored spot reflection topography.**
[Karabatsas C.](#), A. J. Kanellopoulos:
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Paper presentation)
- 226. Novel kcn diagnosis and progression criteria based on multiple anterior segment imaging devices.**
[Karabatsas C.](#), A. J. Kanellopoulos:
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Paper presentation)
- 227. Epithelial remodeling following femtosecond-assisted high myopic LASIK: comparison of stand alone to LASIK combined with prophylactic high fluence crosslinking.**
A. J. Kanellopoulos, [Karabatsas C.](#):
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Paper presentation)
- 228. Femtosecond-assisted myopic LASIK: long term comparison of LASIK combined with prophylactic high fluence cross linking to stand alone LASIK.**
A. J. Kanellopoulos, [Karabatsas C.](#):
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Paper presentation)
- 229. Customized pattern myopic, astigmatic, and hyperopic refractive correction transepithelial, very high fluence collagen cross linking: early clinical results of a novel application.**
[Karabatsas C.](#), A. J. Kanellopoulos:
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Paper presentation)
- 230. Long term follow-up of the Athens Protocol (AP): combined topography-guided partial PRK and CXL in keratoconus eyes.**
[Karabatsas C.](#), A. J. Kanellopoulos
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Video presentation)
- 231. Use of a novel model foldable artificial cornea for treatment of blindness due to severe ocular surface disease.**
Kontari I, A. J. Kanellopoulos, [Karabatsas C.](#):
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Video presentation)
- 232. Longe term safety and efficacy of high-fluence collagen crosslinking of the vehicle cornea in Boston Keratoprosthesis type I.**
Pamel G, A. J. Kanellopoulos, [Karabatsas C.](#):
47th Panhellenic Ophthalmological Congress, May 29th, 2014, Thessaloniki, Greece (Video presentation)
- 233. Preservative Free Glaucoma Medications :Why, where, when?**
Santen Scientific Glaucoma Meeting. Margi Hotel, Athens, 25 June 2014 (invited lecture).

- 234. Surgical evidence that a pre-Descemet's cornea layer truly exists.**
Karabatsas C, A. J. Kanellopoulos, Asimellis G.
5th EuCornea Congress, 12-13 September 2014, London, UK (e-poster)
- 235. Use of a novel model Foldable Artificial Cornea for treatment of blindness due to Severe Ocular Surface Disease**
A. J. Kanellopoulos, Karabatsas C.
5th EuCornea Congress, 12-13 September 2014, London, UK (free paper)
- 236. Long term follow-up of the Athens Protocol (AP) : Combined topography-guided partial PRK and CXL in 212 keratoconus eyes.**
Karabatsas C, A. J. Kanellopoulos
XXXII Congress of the ESCRS, 13-17 September 2014, London, UK (video presentation, VL-4168)
- 237. Novel Myopic Refractive Correction with Trans-Epithelial, Very High-fluence Collagen Crosslinking applied in a Customized Pattern : early Clinical Results in a Feasibility Study.**
Karabatsas C, A. J. Kanellopoulos
XXXII Congress of the ESCRS, 13-17 September 2014, London, UK (video presentation, VL-4173)
- 238. Novel KCN Diagnosis and Progression criteria, based on multiple Anterior-segment imaging devices.**
Asimellis G, A. J. Kanellopoulos, Karabatsas C
XXXII Congress of the ESCRS, 13-17 September 2014, London, UK (e-poster)
- 239. Customized Pattern Myopic, Astigmatic and Hyperopic Refractive Correction with Trans-Epithelial, Very High-fluence Collagen Crosslinking : Early Clinical Results of a novel application.**
Moustou V, A. J. Kanellopoulos, Asimellis G, Karabatsas C
XXXII Congress of the ESCRS, 13-17 September 2014, London, UK (e-poster)
- 240. Collagen cross-linking: indications, applications, results, complications and evolving technology**
Instructional course IC-16
Organiser : AJ Kanellopoulos
Faculty : Stulting D, Pamel G, Donnenfeld E, Marshal J, Karabatsas C
XXXII Congress of the ESCRS, 13 September 2014, London, UK (Course speaker)
- 241. Treatment strategy for custom ablation of visually disturbing irregular astigmatism after refractive surgery and in keratoconus**
Instructional course IC-38
Organiser : A. Stojanovic
Faculty : Mrochen M, Ambrosio Jr R, Reinstein D, Karabatsas C
XXXII Congress of the ESCRS, 14 September 2014, London, UK (Course speaker)
- 242. Update on multifactorial keratoconus and ectasia diagnosis and progression assessment**
Instructional course IC-70
Organiser : AJ Kanellopoulos
Faculty : Ambrosio Jr R, Karabatsas C, Nagy Z, Balidis M.
XXXII Congress of the ESCRS, 15 September 2014, London, UK (Course speaker)
- 243. Technological advances in anterior segment eye surgery**
Instructional course (by invitation, course commentator)
Organiser : Kanellopoulos AJ
Conference of the Hellenic College of Ophthalmology, 11-12 October 2014, Eretria, Greece
- 244. Technological advances in anterior segment eye surgery**
Dry Eye Round Table (invited speaker)
Conference of the Hellenic College of Ophthalmology, 11-12 October 2014, Eretria, Greece
- 245. Corneal Astigmatism Evolution with Age: 350 Cases Evaluated with a Color LED Reflection Topographer (CLRT).**
Kontari I, Karabatsas CH, Asimellis G, Kanellopoulos AJ
American Academy of Ophthalmology (AAO) Meeting-Refractive Subspecialty Day, 17-18 October 2014, Chicago, USA (poster)
- 246. Color LED Reflection Topography (CLRT): Astigmatic Axis Repeatability in Normal, Keratoconus (KCN), and LASIK eyes**
Karabatsas CH, Kontari I, Asimellis G, Kanellopoulos AJ
American Academy of Ophthalmology (AAO) Meeting-Refractive Subspecialty Day, 17-18 October 2014, Chicago, USA (poster)

- 247. Independent verification of UVA irradiation levels of 4 Corneal Collagen Cross-Linking Devices**
Karabatsas CH, Chatzilaou G, Kanellopoulos AJ
American Academy of Ophthalmology (AAO) Meeting-Refractive Subspecialty Day, 17-18 October 2014, Chicago, USA (poster)
- 248. Microbial sampling evaluation of patient, personnel (P&P) an operating and accessory rooms in an eye unit**
Chatzilaou G, Karabatsas CH, Kanellopoulos AJ
American Academy of Ophthalmology (AAO) Meeting-Refractive Subspecialty Day, 17-18 October 2014, Chicago, USA (poster)
- 249. Clinical correlation of Topography, Tomography and OCT in Corneal Imaging**
Karabatsas CH (invited speaker by ISRS)
American Academy of Ophthalmology (AAO) Meeting-Refractive Subspecialty Day, 18 October 2014, Chicago, USA
- 250. Novel KCN Diagnosis and Progression criteria, based on multiple Anterior-segment imaging devices.**
Karabatsas CH, Kanellopoulos AJ
American Academy of Ophthalmology (AAO) Meeting, 18-21 October 2014, Chicago, USA (poster)
- 251. Cornea Fun Club**
Instructional course (by invitation)
Organiser :
Karabatsas CH
Annual Conference of the Ophthalmological Society of Central Greece, 1-2 November 2014, Plastiras Lake, Greece (Course speaker)
- 252. Career Day. Specialty training & Research in the UK**
Career Day Symposium, Athens Medical School, Students Scientific Union, Athens Medical School, Athens, Greece – 5 November 2014. (invited speaker)
- 253. Laser Refractive Surgery : the patient's perspective – Can I have LASIK surgery? What should I expect from the operation?**
OMMA Ophthalmic Institute Scientific Symposium, Athens, Greece – 13 December 2014. (invited speaker)
- 254. Dry Eye Disease : Physiopathology & management**
6th Exhibition of Medical Management & Communication, Metropolitan Expo Centre, Athens, Greece – 14-15 February 2015. (speaker by invitation to Omega Pharm booth)
- 255. Recent diagnostic and interventional ophthalmological advances starting in Athens : The LaserVision.gr experience**
5th Meeting of the Hellenic College of Ophthalmology, Athens, Greece – 14 February 2015. (invited speaker)
- 256. Cassini Corneal Topography**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 26 February to 1 March 2015. (invited speaker)
- 257. Femtosecond Laser in Refractive Surgery**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 26 February to 1 March 2015. (instruction course coordinator)
- 258. Debates on Corneal Cross Linking**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, Athens, Greece – 26

- February to 1 March 2015.
(invited speaker)
- 259. Achieving emmetropia without the aid of excimer laser**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26 February to 1 March 2015.
(invited speaker as General Secretary of the Hellenic Cornea Society)
- 260. The Wavelight EX500 refractive suite – the software green advances**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26
February to 1 March 2015.
(Alcon sponsored invited
speaker)
- 261. TearLab – The Greek and American market experience**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26
February to 1 March 2015.
(Ergani sponsored invited
speaker)
- 262. Femtocataract – My experience with the LensX femtolaser**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26
February to 1 March 2015.
(invited speaker)
- 263. Basic Cornea Course – Keratoconus, PMCD and CXL**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26
February to 1 March 2015.
(invited speaker)
- 264. Intraocular devices removal – case presentations**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26
February to 1 March 2015.
(invited speaker)
- 265. Cornea Fan Club – case presentations**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26
February to 1 March 2015.
(invited panelist)
- 266. Cataract surgery following previous refractive surgery**
29th International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,
Athens, Greece – 26
February to 1 March 2015.
(invited speaker)
- 267. Novel diagnostic tests for keratoconus**
Keratoconus Meeting of Ophthalmica Eye Group, Thessaloniki, Greece
– 21 March 2015. (invited speaker)
- 268. Out of the ordinary use of SD-OCT in glaucoma**
21st International Glaucoma Congress, Athens, Greece – 26 to
28 March 2015. (invited speaker)
- 269. Femtocataract pros & cons vs. phacoemulification in cataract surgery**
OEBE Scientific Meeting, Serres, Greece – 25 to 26 April
2015

- (invited speaker)
- 270. Cornea Fan Club – case presentations**
48th Panhellenic Ophthalmological Congress, 14 to 17 May 2015, Olympia, Greece (invited panelist)
- 271. Normal Tension Glaucoma : Diagnostic process**
48th Panhellenic Ophthalmological Congress, 14 to 17 May 2015, Olympia, Greece (invited speaker)
- 272. Refractive Surgery : From tear film to retina, aiming to the perfect vision.**
48th Panhellenic Ophthalmological Congress, 14 to 17 May 2015, Olympia, Greece (invited speaker)
- 273. Evaluation of visual rehabilitation and corneal scatter following corneal cross-linking for keratoconus management, employing multiple anterior segment imaging devices** Karabatsas C, A. J. Kanellopoulos, Asimellis G
XXXIII Congress of the ESCRS, 5-9 September 2015, Barcelona, Spain (e-poster)
- 274. Optic nerve and macula blood flow evaluation with spectral domain OCT following clear cornea cataract surgery**
Karabatsas C, A. J. Kanellopoulos
XXXIII Congress of the ESCRS, 5-9 September 2015, Barcelona, Spain (oral presentation)
- 275. Preservative Free Glaucoma medical treatment : Why, where, when ?**
Vianex Scientific Meeting, 1 October 2015, Larissa, Greece (invited speaker)
- 276. Can refractive surgery cause rhegmatogenous retinal detachment?**
Annual Conference of the Ophthalmological Society of Central Greece, 31 October - 1 November 2015, Portaria Pelion, Greece (invited speaker)
- 277. Optic nerve and macula blood flow OCT evaluation before and after clear cornea cataract Surgery**
Karabatsas C, Kanellopoulos AJ
Annual Meeting of the American Academy of Ophthalmology (AAO), 16 November 2015, Las Vegas, USA (e-poster, P0287)
- 278. Epithelial remodeling comparison following myopic SMILE vs myopic LASIK**
Karabatsas C, Kanellopoulos AJ
Annual Meeting of the American Academy of Ophthalmology (AAO), 16 November 2015, Las Vegas, USA (e-poster, P0461)
- 279. Novel diagnostic tests and treatment modalities for Keratoconus**
Red Cross Hospital Ophthalmological Meeting, 6 November 2015, Athens, Greece (invited speaker)
- 280. Cornea & External Eye Diseases**
General State Hospital, Hellenic Ophthalmological Society Continuing Education, 9 February 2016, Athens, Greece (invited speaker)
- 281. Bladeless femtosecond laser-assisted compared to manual phacoemulsification in clear cornea cataract surgery: refractive outcomes**
Karabatsas C, Kanellopoulos AJ, Asimellis G
20th Winter Meeting of the ESCRS, 26-28 February 2016, Athens, Greece (e-poster POS-16290)
- 282. Longitudinal evaluation of DSAEK remodeling: graft, total corneal and corneal epithelium thickness evaluation by fourier domain anterior-segment OCT**
Karabatsas C, Kanellopoulos AJ
20th Winter Meeting of the ESCRS, 26-28 February 2016, Athens, Greece (e-poster POS-16293)
- 283. Ex-vivo biomechanical evaluation of Flap and Residual Stroma Biomechanical Properties following High-Irradiance CXL Combined with Myopic LASIK**
Karabatsas C, Kanellopoulos AJ, Asimellis G
20th Winter Meeting of the ESCRS, 28 February 2016, Athens, Greece (Free paper, FP-16164)

- 284. Clinical evaluation of disposable probe, nanosecond laser-assisted, clear cornea cataract extraction.**
Karabatsas C, Kontari I, Kanellopoulos AJ
20th Winter Meeting of the ESCRS, 27 February 2016, Athens, Greece (Free paper, FP-16184)
- 285. Techniques and patients selection for refractive surgery procedures**
University Hospital of Larissa, Ophthalmology Department, Residents Training Program, 17 March 2016, Larissa, Greece
(invited speaker)
- 286. DSEK : technique & patients selection**
University Hospital of Larissa, Ophthalmology Department, Residents Training Program, 17 March 2016, Larissa, Greece
(invited speaker)
- 287. The LaserVision presence in recent world Ophthalmology meetings**
5th Meeting of the Hellenic College of Ophthalmology, LaserVision.gr, 19 March 2016, Athens, Greece
(invited speaker)
- 288. Anterior segment imaging in glaucoma**
22nd International Glaucoma Congress, Athens, Greece
– 31 March 2016. (invited course organizer)
- 289. Trabeculectomy – the failing bleb : postoperative management** *22nd International Glaucoma Congress*, Athens, Greece – 2 April 2016. (invited speaker)
- 290. Preservative free glaucoma medications: who, when, why?**
Vianex Glaucoma Symposium, Chania, Crete, Greece – 13 April 2016. (invited speaker)
- 291. Myopic LASIK femtosecond laser-assisted flap thickness precision evaluated with anterior segment OCT**
Karabatsas C, Kontari I, Thompson V, Kanellopoulos AJ
Annual ASCRS Symposium & Congress, 6-10 May 2016, New Orleans, USA (poster)
- 292. Optical coherence tomography angiography of the optic nerve and macula blood flow after clear corneal cataract surgery**
Tsichlis E, Karabatsas C, Pamel GJ, Kanellopoulos AJ
Annual ASCRS Symposium & Congress, 6-10 May 2016, New Orleans, USA (poster)
- 293. Cornea Fan Club – case presentations**
49th Panhellenic Ophthalmological Congress, 26 May 2016, Thessaloniki, Greece (invited panelist)
- 294. Corneal ulcers and abscesses: Differential diagnosis & Management**
48th Panhellenic Ophthalmological Congress, 26 May 2016, Thessaloniki, Greece (invited round table organiser)
- 295. Anterior Chamber angle assessment with the Scheimpflug principle and with optical coherence tomography. Comparative data.**
Kanellopoulos AJ, Karabatsas C
12th EGS Congress, 19-22 June 2016, Prague, Czech Republic (poster)
- 296. Corneal epithelial changes induced by topical anti-glaucoma treatment**
Karabatsas C, Kanellopoulos AJ
12th EGS Congress, 19-22 June 2016, Prague, Czech Republic (poster)
- 297. Ocular surface and topical anti-glaucoma treatment: the interaction**
Karabatsas C (invited speaker)
Allergan Hellas Symposium, 6 July 2016, Athens, Greece.
- 298. Refractive Transepithelial Corneal Crosslinking: Three-Year Data on Variable, Pattern and Fluence Attempted Myopic Corrections. Poster presentation**
C. Karabatsas, A. J. Kanellopoulos
AAO American Academy of Ophthalmology, October 14th 2016, Chicago, USA
- 299. Very High Myopia Correction with the Toric Implantable Contact Lens: Two-Year**

Stability and Visual Data. Poster presentation

C. Karabatsas, A. J. Kanellopoulos,

AAO American Academy of Ophthalmology, October 14th 2016, Chicago, USA

300. Topography-Guided LASIK vs. Small-Incision Lenticule Extraction: Objective Postoperative Digitized Centration Evaluation in a Contralateral Eye Study. Poster presentation

Costas Karabatsas, A. J. Kanellopoulos

OMMA Eye Institute Annual Meeting-Hellenic College of Ophthalmology: 17 December 2016, Athens, Greece.

(invited course instructor)

305. Cornea Day : Therapeutic strategies for infectious(bacterial) keratitis when initial treatment fails

31st International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery: 2-5 March 2017, Athens, Greece.

(invited speaker)

306. Management of irregular astigmatism in cataract surgery. Assessing ocular surface, IOL selection

31st International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery, : 2-5 March 2017, Athens, Greece.

(invited speaker)

307. Oculoplastic surgery for cataract and refractive surgeons : How to protect the ocular surface

31st International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,

2-5 March

2017,

Athens,Greece.

(invited

speaker)

308. Normalizing the cornea with a view to emmetropia. An art or a science?

31st International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,

2-5 March

2017, Athens,

Greece (invited

speaker)

309. Cataract surgery after previous refractive surgery & cataract surgery in a patient with phakic lens

31st International Congress of the Hellenic Society of Intraocular Implant and Refractive Surgery,

2-5 March

2017, Athens

Greece,

(invited

moderator)

310. MIGS – glaucoma surgery alternatives

23rd International Glaucoma Congress, Athens, Greece, 6-8 April 2017.

APPENDIX : Summary of Surgical Experience

My surgical experience is vast in all aspects of anterior segment surgery. So far I have performed:

Over 10000 phacoemulcification cataract extractions
Over 3000 refractive surgery (LASIK, PRK, ICL) cases
Over 300 keratoconus treatments (CXL +/- PRK)
About 350 trabeculectomies
About 500 corneal transplantations (PKP, DALK, DSEK)
About 180 glaucoma valves implants (Ahmed, Express)
Over 100 trauma cases
Over 300 oculoplastics cases
Over 200 adult & children strabismus cases
